**Sir:**

In accordance with the phone conversation with the Examiner on August 21, 2002, Applicant's attorneys have noted that a Supplemental Amendment filed June 13, 2002 apparently did not arrive at the Examiner's desk in time to be considered prior to her issuance of an Official Action on July 29, 2002. As Applicant's attorney explained to the Examiner, all issues raised and discussed in the Supplemental Amendment will be considered and presented in Applicant's response to the July 29, 2002 Official Action. Accordingly, Applicant's attorneys anticipate no further action by the Examiner considering the Supplemental Amendment prior to the filing of their response to the July 29, 2002 Official Action.
